No not just yet. I think they are going to try and get a TRO on him on Monday. We are still gathering info we can use for that.

Did you guys arrest him or just give him a stay away order?

Is there an active police report? I'm sure he will be back on the blvd. tomorrow.

Steve,

Can you pass this out to your guys. His name is Ryan Genther. His is harassing Jimmy's wife. He lives in the hostel next door to us and is calling and e-mailing as well as circling the building. We had a criminal background done on him and found that he has multiple arrests for sexual assault and sexual battery. He looks innocent enough, but with his action and past, no one is taking any chances.
